## WHAT'S NEW

### Voluntary Car Schemes need you!

Local car schemes are vital services that are provided by volunteers using their own cars. This allows elderly, disabled & disadvantaged people access to transport where there is none, or where they cannot use public transport. It enables them access to appointments and social events. Could you be a driver?

This role involves transporting people, so you must own a full, clean driving licence, and a car that is roadworthy. This role will require a CRB check.

For more information please quote **UCA 88**.
